**RESPONSE AND AMENDMENT**

S I R:

In response to the Office Action mailed on July 24, 2002, the following amendments and remarks are respectfully submitted:

Please amend the application as follows:

**In the claims:**

Please amend the claims as follows:

Sub B' 1. (Amended) A method of transferring information between a subscriber and a wireless service, comprising the steps of:  
receiving a registration request for the subscriber at a service node;  
determining, at the service node, an address addressable by an alternative network and associated with a wireless service; and  
transferring information between the subscriber and the wireless service using the determined address.
